ChAMP Engineering Application Form

Chulalongkorn Alumni Mentorship Program: Engineering initiates with the collaborations and dedications of Chulalongkorn Engineering Alumni. We connected over 30 top and middle management executives together with the aim to mentor, coach and support mentee's career planning and skill development. We have set up standards criteria and assessment method for mentee selection.

To make the Mentorship Program effective and successful, we are looking for the person with commitment, who is deeply inspired by individual goals. We believe in the person who is willing to learn, demonstrated leadership and discipline through the past situations, actions, and results.

Required documents

1. Filled Mentee application form.
